

THE RIGHT PRODUCTS AT THE RIGHT TIME!

MicroBaker Microwaveable Potatoes & Yams For Two

Anticipating and meeting market demands has always been one of Progressive's strong points. Our MicroBaker microwaveable potatoes and yams, increasingly popular for their convenience and oven-baked taste, now come packaged in just the right size for two people. Introducing *Potatoes For Two* and *Yams For Two!*

Convenient microwave-safe clamshell trays make cooking and serving for two people fast and easy.

Having the right product at the right time is just another way Progressive is always working to increase your sales, and profits. From Progressive Produce, your value added partner.
